Web Developer

The Human Resources Development and Staffing Agency (BKPSDM) of Banjar City is a government institution responsible for managing civil servant affairs, including recruitment, career development, training, and performance evaluation. BKPSDM plays a key role in improving the quality of public services by ensuring that government employees are well-trained and competent.

- **Prototype of Self-Study Assignment Submission System for Civil Servants in Banjar City** : Developed a comprehensive online system to streamline the self-study assignment submission process for over 500 civil servants (PNS) in Banjar City, eliminating the need for physical submissions and back-and-forth transportation to other institutions for approvals. This resulted in a 30% reduction in transportation costs and a 40% reduction in submission errors. The system features online submission, role-based access management, automated notifications, document management, and easy profile updates. Built using PHP, JavaScript, Laravel, Filament, Tailwind CSS, jQuery, and MySQL, the platform offers a secure, efficient, and user-friendly experience, reducing administrative overhead by 30% and speeding up the approval process by 50%. The system enhances task management efficiency and improves overall productivity.
